Dear Applicant or Attorney of Record

In response to your request for a corrected filing receipt due to an error in the filing receipt:

- The correct number of your application appears on the filing receipt. The application number stamped on the return postcard is incorrect.
- The "Foreign Filing License Date Granted" is correct for filing purposes. Additional information on the Foreign Filing License may be obtained by calling License and Review on (703) 308-\_\_\_\_\_.
- The articles "a", "an", and "the" are not included as first words in the title of an application because they are unnecessary to the understanding of the title. The words "new" and "improvement" are not included as first words in the title of an application because a patent application is, by its nature, a new idea or improvement.
- The title is correct as taken from the transmittal letter.
- The title is correct as taken from the first page of the specification per 37 CFR 1.72.
- Prior to issuance of filing receipt, amendments changing the title are not considered at this point. The preliminary amendment will be entered prior to the patent examiner's first office action.
